ALASKA

ADVISORS • ACCOUNTANTS • AUDITORS

DOUBLE-CHECKING FOR ACCURACY

You only move frontiers if you have your own administration and accountancy set up perfectly.

Alaska supplies the required toolkit:

- Advice regarding efficient Administration
- Accountancy & VAT Administration
- Audit & preparation of the annual Financial Statements
- Development of a Financial Model
- Elaboration of a Business Plan
- Tax declarations, for private persons, companies, associations, etc.
- If so requested, we can take care of your entire administration
