

# FISCAL ADVICE

ALASKA

ADVISORS • ACCOUNTANTS • AUDITORS

Accountancy and Tax is much more than just filling in tax return forms. Very complex issues and situations may arise.

It instills confidence if you can count on people who are able to optimally key into your wishes and prepare you to approach things yourself even better in the future.

Alaska is your number one for:

- Advice on personal Income Taxes
- Advice on corporate Income Taxes
- VAT optimisation
- Assistance in Tax Audits
- Ruling applications
- Inheritance Law
- Registration Law
