

AUDIT

ALASKA

ADVISORS • ACCOUNTANTS • AUDITORS

## SEE THROUGH TO SEE SMART

Thanks to our network, you can get assistance on the following topics:

- Statutorily required reports imposed by the Companies' Act, such as in the event of restructurings, in-kind contributions, mergers, demergers or liquidations.
- The mandate of statutory auditor. If your company meets a number of specific conditions, you are obliged to designate a statutory auditor.

The Alaska team is specialized in:

- Audits in the framework of Acquisitions (Due diligence)
- Accounting, auditing & control
- VAT or Tax audits
- Valuations of businesses
- Pension audit
- IT audit
